● MORE SPACE FOR PUPILS TO ENJOY SPORT

Schools create vibrant outdoor areas thanks to £40,000 grant

■ WALKING TALL: Headteacher Carol Wills with pupils at Misterton First School

by Anders Larsson
anders@tindlenews.co.uk

PUPILS at two primary schools in the Crewkerne area are reaping the benefits of grants totalling almost £40,000.

The Crewkerne and Misterton Federation consists of Ashlands Church of England First School and Misterton Church of England First School.

Both schools have been able to transform outdoor areas thanks to grants from Sport England's Primary Spaces Fund.

School business manager Lisa Carter explained: "The Crewkerne and Misterton Federation is thrilled to have been awarded £17,400 for Ashlands Church of England First School and £18,500 to Misterton Church of England First School.

"The Fund is investing £18 million of National Lottery funding into just 600 primary schools across the country to provide better equipment and outdoor facilities."

The federation acted quickly and has already transformed outdoor spaces at both schools as a result of the grants.

Lisa added: "The investments have been used to further transform the schools' outdoor spaces, creating

vibrant multi-activity games areas including traverse climbing walls that can be used both within the curriculum and outside school hours by local communities.

Positive experience

"These specialist play areas have been designed to give children the space to start enjoying PE and sport, giving young people that crucial positive early experience of getting active and staying healthy."

Carol Wills, who is the headteacher of both schools, said: "The grants have made a huge difference to both schools."

Pointing to the colourful and well-equipped outdoor space at the Misterton school, she said: "It was just black tarmac and all we had was a basketball hoop, really."

"But this gives pupils more opportunities to enjoy play time."

Council meet residents over parking issues

CAMPAIGNERS behind an 80-strong petition against new parking restrictions won a partial victory when Devon County Council (DCC) agreed to meet them and put their concern on the agenda.

There is no guarantee that the double yellow lines they oppose will be removed but DCC has agreed to meet the residents of Seaton Down Road who object to the yellow lines down a section of the road between Ryall's Court and Cherry Drive.

They claimed to have been "appalled" at the beginning of October to find that parking restrictions had been put in place without warning. DCC denies to have acted without warning, but has agreed to review the matter.

From the editor's chair Rising to the challenge

I'VE spent most of my adult life involved in sport in one way or another.

As a young man I played football and cricket, finishing the former when I was 35 and the latter when I was 55.

I went on to manage a sports publishing company in London where I met many of my sporting idols. Some were decent chaps; others, well put it this way, you wouldn't want your daughter to marry them.

When I returned from London I spent 10 years as chairman of my home-town football club and I am now proud to be a life-member and President.

I've made many friends through sport and enjoyed some fantastic occasions at sporting arenas around the world.

But my greatest regret is that I failed to deliver new sporting facilities in Lyme where the

ill-fated Strawberry Field project to find a new home for Lyme Regis FC failed miserably, never to be resurrected.

So I've taken a great interest in Axminster Town's move to brilliant new facilities in Chard Road, a project that has not been without its problems but at long last seems to be reaching fruition. I wish them well.

I was also interested to hear this week that Ilminster Town FC have fears that their Gooch Pavilion project, with the finance secured, could be jeopardised by alleged misinformation sweeping the town about the club's ability to manage such a facility.

I've always considered Ilminster FC to be one of the best run sporting clubs in the area and have no doubt they are more than capable of rising to the challenge.

HONITON

'Huge leap' in fight to save day centre

PROFESSIONAL day care services for older people could soon be returning to Honiton, after community leaders celebrated a "huge leap forward" in their bid to save the St Michael's day centre.

Dedicated volunteers fighting to secure the building's future have now struck a deal with county council chiefs to provide day care services at the building for three-and-a-half days a week.

They will now seek to establish a community interest company to help them raise enough money to get the project off the ground later this year.

And the group is already looking ahead to August, by which time they hope to have the service up and running.

COLYTON & COLYFORD

Council agrees to take on the town library

COLYTON Parish Council has agreed in principle to take on ownership of the town's library after it was chosen as one of 12 across the county to pilot a community-led scheme.

Following public consultation after it was announced that Devon County Council had to cut its library budget £1.5million over the next four years, Colyton was named as one of 12 libraries across the county to pilot a scheme which would see the local community taking greater responsibility in running the facility.

Devon County Council is working with community groups in the 12 towns to help shape the new organisation and try new ways of involving local people so they can have more say on how their library is run. In Colyton, the council has been working with the Friends of Colyton Library.

Having attended a meeting with the Friends, parish councillor Sheila Smith reported back to the council last week, asking if they would consider taking ownership of the building.

Jane Dauncey of the Friends of Colyton Library said: "We are very pleased the parish council has agreed in principal to take on the building and we look forward to working with them closely in the future."

"This is a major step towards achieving our goal of a secure community library for Colyton."

Crewkerne toy auction

A HUGE and evocative collection of diecast vintage toys from the 1960s and 1970s are to be auctioned at Lawrences Auctioneers of Crewkerne.

Formerly part of the stock of Webbers Bike and Toy Shop in Taunton, the toys were retained by the owners when the shop closed in the 1970s and have remained in the family since.

Included are various model toys from the 1970s in "excellent condition", many still with the shop stickers on and perfectly preserved in their original boxes. The collection comprises dozens of Dinky Toys, Corgi Toys, Triang, Wrenn, Hornby, Britains and various others.

They will be sold in a variety of lots with estimates ranging from £50-£150.

Lawrences auctioneer Simon Jones said: "It is very unusual to see vintage toys in such amazing condition.

"They have been very carefully stored and some of items have never ever been opened.

"We are expecting a great deal of interest in this collection. It is rare to find so many in literally untouched condition and anyone born in the late 1950s and 1960s will find much to remind them of their childhood here.

The toys will go under the hammer in the collectors' sale on Friday May 22nd.

Chard Rotary sponsoring Everest trek

AT A RECENT regular meeting of the Rotary Club of Chard a presentation of a Rotary t-shirt was made by President Eric Beckley to Lizzie Fenner, a former Holyrood Academy pupil, who is being sponsored by the club on her ten day trek up to the Mount Everest Base Camp as part of her fund raising for the 'Children's Society' in August.

The club also welcomed Mr. Justin Sargent, the CEO of the Somerset Community Foundation, who was a guest of Rotarian Stanley Hopkins.

Mr. Sargent gave a most interesting and illuminating talk on the work of the foundation in Somerset particularly in relation to their assistance to the many victims of the floods on the Somerset Levels during last year.

He also gave details of a number of projects in the town of Chard which had received their assistance. Mr Sargent answered many questions posed by members and was thanked by Mr Hopkins.

Museum appoints new trustees

AT Chard Museum's recent annual general meeting, new trustees were appointing for the coming year.

They are chairman David Ricketts, vice-chairman Vince Lean, minutes secretary and custodian co-ordinator Margaret Ridley, Dee Manley, Peter Manley, Gwyneth Jackson, Roy Kibble-White, curator Roger Carter and Linda Vijeh.

Chairman Mr Ricketts was delighted that the museum now benefitted from nine trustees, as this was the most it had had for a long time.

Local councillor Linda Vijeh, who has been a trustee for some years, added: "It is really important that local people do get involved. With funding becoming increasingly tight we do all need to pull together if the town is not to lose this vital asset."

"I am aware that I do not always have as much time as I'd like to help but even if we all encourage our visitors to come along to see what a great little museum this is it will all help to spread the word. It costs very little to become a 'friend', and there is always a need for volunteers."

This year there will also be a mini-exhibition in Chard Guildhall which includes some aerial views of Chard from 1925, "then and now" photos of the town buildings from the early 1900s, and memoirs of the Second World War.

St George's Day concert

A GRAND concert for St George's Day on Thursday, April 23rd will be held in Chard in aid of Help for Heroes.

The concert is organised by the Mayor, Councillor Jenny Kenton, and Chard Rotary Club, and will start at 7.30pm in the Guildhall.

Chard Concert Brass with soloist Helen Weber will perform music with a patriotic flavour. Admission is free but donations would be welcome.

Children enjoy activities in the great outdoors

■ CHILDREN have been enjoying outdoor activities thanks to special week of events organised by the CRESTA Leisure Centre in Chard. Local children took part in building dens, camp fires, roasting marshmallows and hanging hammocks on trees. Volunteers needed to help make hospital mosaics

COMMUNITY interest company Chard WATCH (Working Altogether in Chard) is looking for organisations keen to get involved with the making of mosaics for the local hospital.

Somerset Partnership NHS Trust has commissioned the group to produce two mosaics over the next year or so to be hung in the reception areas at Chard Community Hospital. Crewkerne-based sculptor Richard Langford is leading the work, and the mosaics will have a Care in the Community theme.

Chard WATCH co-ordinator Paula Moon said: "We would like to extend an invitation to other

organisations in the area that would like to assist in the production of these mosaics within our Thursday Project to make it a real community effort.

"Thanks to the success of previous mosaic efforts, many of the project members gathered to get involved with the initial planning stage.

"Due to its focus on community, art may imitate life as we attempt to grow that number even further with participation outside the project from other organisations.

"Anyone interested in being involved with the production of these mosaics to simply need to

contact us on 07506 238540."

Chard WATCH is a voluntary group that was set up to reach out and engage with adults who, because of various conditions and issues, are socially isolated and who face barriers within their community and surrounding areas.

The members consist of adults (18 upwards) and include people with mental health issues, recovering alcohol and substance users, ethnic minority groups, people with physical disabilities, the elderly, and the homeless, etc.

Hobbycraft sponsors Ferne's craft weekend

■ **GETTING CRAFTY:**
Matilda Glaubitz, aged 2
from Ilminster, makes
use of the craft supplies

HOBBYCRAFT in Newton Abbott, Devon, recently supported a craft weekend for kids at Ferne Animal Sanctuary near Chard.

As part of the Easter Eggstravaganza, the creative weekend was a first for Ferne and introduced over 100 local children into the world of crafts.

A huge range of materials were donated by Hobbycraft, enabling the children to glue, stick and paint numerous creations. These included making animal masks, foam Easter baskets, decorated Easter egg pictures and Easter cards. Even more fun was had learning how to use glass painting kits, pompoms and pipe cleaners.

The children also created pictures to enter "The Most Gloriously Impressively Decorated Egg Competition".

Jennifer Pratt, team leader from Hobbycraft in Newton Abbott said: "We try to support local charities and always like to be in the community getting people interested in crafts. My parents rehomed a dog from Ferne Animal Sanctuary a

long time ago, so we know about the great work they do and were very keen to support them at their recent event."

Sharon Pavey, head of fundraising and marketing at Ferne Animal Sanctuary, added: "It was incredibly generous of Hobbycraft to support our activities, which makes visiting the Sanctuary so much more fun for our younger visitors."

"The visitors who support us enable us to care for the 300-plus animals here at Ferne and help us rehome cats, dogs and horses within a 40-mile ra-

dius, which includes most of Devon."

Ferne Animal Sanctuary is a registered charity open to the public all year round, except Christmas Day and New Year's Day. It relies solely on donations.

To find out how to volunteer or information on upcoming events, including the 75th anniversary ball on September 19th at Woodlands Castle, Taunton, visit www.ferneanimalsanctuary.org or call 01460 65214.

■ **MAN'S BEST FRIEND:** Children from Greenfylde First School with dogs and trainers from Canine Partners

Children learn about dog training for the disabled

CHILDREN from Greenfylde First School in Ilminster were excited to receive a visit from Canine Partners, who came to talk to the children about the work they do to train dogs to help people with disabilities.

Piper, Tribute and their puppy trainers showed the children how the dogs learn to help with many tasks in the home, including picking things up and helping people take off cardigans and jumpers.

The children were able to ask lots of questions and found out just how

much it takes to train a puppy and how the dogs go through lots of training before they are matched with their long-term human partner.

At Greenfylde, the children have been collecting used stamps as this is one of the ways Canine Partners raise funds for their puppy training.

For further information visit www.caninepartners.org.uk. Used stamps can always be dropped off at Greenfylde First School and they will be passed on to the charity.

Students inspired by visit to arts centre

A GROUP of talented young artists from Greenfylde First School in Ilminster were given the opportunity last week to meet artist Nina Gronw-Lewis at Ilminster Arts Centre.

The visit, arranged by Sue Bishop at the Meeting House, allowed the children to share in Nina's art work and ask lots of questions about how she creates her installations.

All of the children were inspired by Nina's latest installation, which has come to the gallery following a period on display at Hestercombe Gardens. The multi-coloured pavilion, made by linking, knotting and looping lots of different materials, was a huge hit with the children, as unlike many other artworks, they were able to go inside it and touch and hold all of the different materials.

Headteacher Claire Oaten said: "Having the opportunity to visit Nina and see her works in the gallery was a truly inspirational experience for the children.

"The pleasure they took in looking at the works of art and talking about them with the artist was a joy to see and I'm so grateful to Nina and the Meeting House for giving them this visit.

"It has now given us all some ideas for potential art installations in our out door spaces and encouraged the children ahead of Greenfylde's own art exhibition in the Meeting House in June."

Parnham Voices to perform at church

PARNHAM Voices will be continue its successful and well-received season of concerts at the Church of the Good Shepherd in Chard on Saturday, April 25th, starting at 7.30pm.

The concert is entitled "Palestrina to Porter, a musical journey with Parnham Voices" and tickets cost £8 on the door or £7.50 in advance from Barrons, Holyrood Street. The concert is being held in aid of church funds.

The choir is a well-respected a Capella group based in Beaminster, which has sung in many different venues including Bath Abbey, Salisbury Cathedral, The Chapel of All Saints at Wardour Castle, The Great Hall at Barrington Court and in The Beaminster Festival.

A spokesperson for the organisers said: "It should prove to be a very entertaining evening, with the addition of various readings delivered by James Wilson."

■ Throughout the week beginning Monday, April 20th, the church will host a painting competition by the pupils of Avishayes School, as well as two concerts performed by the pupils of Chard School, art and vestments displays and many other special events.

The church will be open from 10am to 4pm each day with tea and coffee available.

'Grand and sumptuous' concert

AN enthusiastic audience in St Mary's Church in Chard was treated to a performance by South Somerset Choral Society of works by the baroque composers of the 17th and 18th centuries.

Under the baton of musical director Tim Donaldson, and accompanied by six soloists and an orchestra led by Jane Margeson, the church resounded to the sounds of Gabrieli, Monteverdi, Scarlatti and Vivaldi from Italy; Buxtehude and Schutz from Germany and Rameau from France.

Critic John Patrick Mingay said of the performance that the combined effect of the choir, soloists and orchestra was "grand and sumptuous". He went on to say that the challenging programme of music, not in the usual repertoire of a choral society, gave the opportunity to experience some of the fine works of the period.

Nominate your local Bobbies for Neighbourhood Policing Awards

LOCAL communities from Thornbury to Yeovil, Williton to Wells and all those in between are being asked once again by Avon and Somerset Police and Crime Commissioner, Sue Mountstevens, and acting Chief Constable John Long for their help in searching out the best in local policing.

Neighbourhood policing comes in all shapes and sizes – police officers, police staff, special constables, police community support officers (PCSOs), volunteers and police cadets – however, all have the same ambition to keep the communities of Avon and Somerset safe and feeling safe.

If you have a neighbourhood team making a difference where you live, or a police officer, member or staff or volunteer who has changed your life for the better, you can now nominate them for a Neighbourhood Policing Award.

Police and Crime Commissioner Sue Mountstevens said: "I am delighted to be announcing the launch of the Neighbourhood Policing Awards 2015. When I speak to residents and local people I hear many stories of how officers, staff and volunteers have gone above and beyond their duty or how a team has really made a difference.

"I hope that these people and the wider communities of Avon and Somerset take the time to nominate their local policing teams and tell us why they mean so much to them. It is because the nominations come from local people that these awards are so valued by the officers, staff and volunteers who work hard to keep us safe."

The awards recognise the outstanding work of the neighbourhood policing teams and individuals in the following

categories:

Neighbourhood Beat Team of the Year, Neighbourhood Beat Manager of the Year, PCSO of the Year, Special Constable of the Year, Volunteer of the Year and the Outstanding Customer Service Award. This year we will also be looking to recognise the work of Volunteer Police Cadets.

Acting Chief Constable John Long said: "The Neighbourhood Policing Awards are held to acknowledge the continued hard work and commitment to the public by our officers. On a daily basis they work hard to ensure you feel safe and are safe, with little or no expectation of recognition for their efforts.

"If you know of and can take the time to nominate a police officer, PCSO, special constable or neighbourhood team who has helped you feel safe in your area, it would be a priceless thank you from the communities our officers live to serve."

To nominate for this year's awards visit www.neighbourhoodpolicingawards.co.uk – the closing date for nominations is August 4th. Nomination forms are also available in police stations and hardcopies.

After this date an independent panel will select winners across the policing areas and an awards ceremony will be held on Thursday, November 26th at Cadbury House Hotel.

The awards would not be possible without the support of local organisations. Sponsorship opportunities are available for 2015 and if your organisation is interested in supporting this event visit the Neighbourhood Policing Awards website.

Talk on cathedrals for fine art society

■ **EXPERT TALK:** Neroche DFAS chairman Deryk Outram (right) with lecturer Mark Cottle

THIS year, members of Neroche Decorative and Fine Art Society (DFAS) have welcomed some excellent speakers to their monthly meetings and the month of April was no exception when the society was addressed by Mark Cottle MA, whose subject was the Cathedrals of Wells, Exeter and Salisbury.

Mark is an experienced lecturer in colleges and universities throughout the region, as well as to the National Association of DFAS groups, and his enthusiasm for his subject makes him an excellent and entertaining speaker.

He is fascinated by the richness, achievement and mystery of the Medieval period of English history, and nowhere is this feeling of achievement more obvious than in the great cathedrals of the period.

Mark Cottle's talk covered the origins, design, building and development of the three great cathedrals of the region, and he shed new light on many aspects of these magnificent

buildings. His audience appreciated his in-depth knowledge of the historical, religious and cultural significance of all three cathedrals, in particular the importance of medieval masons in the field of design, as well as construction.

The lecture included illustrative slides and photos, relevant quotations from historians and writers, both serious and humorous, and even some splendid music typical of that heard in our great cathedrals throughout the ages.

Nearly everyone in the audience thought they knew these magnificent cathedrals well through visiting them, but everyone felt they had learned something new from this accomplished speaker.

Neroche DFAS is the oldest branch of the National Association DFAS in the South West and holds monthly talks at Dillington House by leading experts in their field, throughout the year. For details of future events visit www.nerochedfas.org.uk

SpeedWatch volunteer teams report over 700 motorists

SEVERAL hundred motorists have been reported for speeding after a week of action by South Somerset's volunteer Community SpeedWatch (CSW) teams, closely supported by the local police.

Twenty CSW teams carried out a total of 76 hour-long roadside watches between April 7th and 12th, during which they monitored almost 22,000 vehicles and reported 714 for speeding.

Police officers directly supported almost 60 per cent of the sessions, dealing with 79 speeding motorists at the roadside.

Additionally, the camera vans and motorcycles of Speed Enforcement Units gave both direct support at CSW operating sites as well as conducting speed monitoring and reporting duties from their own established sites.

On Thursday and Friday, April 9th and 10th, Somerset Road Safety staff supported the initiative by giving advice to the public at a number of supermarkets in the area, particularly with regard to setting up a CSW scheme.

Stuart Hunter, chairman of South Somerset CSW group, said: "Our week of action in getting the 'Don't Speed' message across exceeded all expectations, both in the number of sessions we were able to conduct and in the amount of direct support given by the police."

"We are certain that our message reached a high number of members of the motoring public who we hope will respect posted speed limits wherever they drive."

South Somerset Neighbourhood Manager, Inspector

Tim Coombe, added: "The week of action was a huge success with over 70 Community SpeedWatch checks completed across the area with many supported by local beat managers, Road Policing Officers and members of the Speed Enforcement Unit."

"We have achieved our primary aim to highlight and support the great work that residents do to reduce speed in their own neighbourhoods, further driving down the speeds of errant motorists and making their communities safer."

"The fact that enforcement teams were embedded with members of the community will mean that for some motorists expecting warning letters about their speed, they will in fact be receiving an option to attend an education session, pay a penalty notice or, for a few, have a trip to court."

Citizens' Advice Bureau launches new phonenumber

SOUTH Somerset Citizens' Advice Bureau has joined up with other branches in across the county to deliver a new telephone advice service.

Clients needing to contact the bureau for assistance should now call 03444 88 9623. Calls to this number will cost the same as a landline call.

South Somerset Citizens' Advice Bureau has joined forces with other local branches to improve the delivery of telephone services through a system called Adviceline developed nationally by Citizens' Advice and tried and tested in other areas.

When a resident from South Somerset dials the number, their local dialling code will be identified and, in the first instance, their call will be routed to South Somerset Citizens' Advice Bureau. If there is no one available in South Somerset, the call will go to another bureau in Somerset.

Already, the client has a better chance of getting their call answered. If, however, all advisers in Somerset are occupied, the call will be diverted to a Citizens' Advice contact centre where trained staff can deal with their query.

Georgina Burton, chief executive of South Somerset Citizens' Advice Bureau said: "We know from MORI research, that many people want to be able to access our service by telephone. Adviceline will help more clients get the advice they need in the way that they want."

"All Adviceline staff are fully trained and if an issue is not complex, they can provide information to anyone, no matter where they are."

"If a client needs more detailed advice, Adviceline has an inbuilt 'work queue' process that means people can be quickly referred to their local bureau for follow up advice."

"Many other CAB services across the UK have already adopted this collective approach to meeting telephone demand with a great deal of success."

Any residents who are deaf or hard of hearing can call 03444 111 445 to access a dedicated text relay service. Calls will cost the same as from landlines and the caller will be able to use their text phone.

■ POLICE are appealing for help in identifying this man they would like to speak with in connection with an attempted theft from the Waitrose store in Crewkerne. On Friday, March 20th, at about 10:20am a man attempted to steal more than £1,000 worth of razor blades from the store in South Street. The CCTV images show a man who police believe may have some information which could help them in their investigations. He has been described as a medium-built white man with a bald head and glasses. He was wearing a blue padded jacket and jeans. Anyone with information can contact Crimestoppers on 0800-555111 or local police on 101. The case reference number is EM 139.

Chard student meets Labour leader

A POLITICIAN for the future from Chard has met Labour leader Ed Miliband during the General Election campaign.

Callum Mooney, 17, is currently regional secretary for Youth Parliament but has his sights set much higher for the future and would, in common with Mr Miliband, relish a life at Number 10 as Prime Minister.

The Chard teenager, who is a student at Richard Huish College in Taunton, spoke to Mr Miliband about his own campaign 'Inspiring and Ensuring the Youth Voice is Heard' and discussed having a future meeting with him about how his campaign could be rolled out nationally.

Callum said: "We discussed how it's vital that young people have a basic knowledge of the political system and how my campaign links with the Labour manifesto point of Votes at 16."

The former Holyrood Academy student's campaign is aimed at trying to get young people involved in the political system so that they can get their views heard.

He said: "There are many things that affect young people massively, such as transport, but they don't really have a say in it. I want to be that liaison figure, putting forward what they want to happen to key decision makers."

"My dad has probably influenced me most about politics but I have taken it to another level. I want to be a politician in the future and I would like to be Prime Minister one day."

Callum got the chance to meet Mr Miliband through Clare Moody MEP who gave him a ticket for Mr Miliband's speech at the National Composite Centre in Kingswood, Bristol.

Callum continued: "I have been invited, after the General Election, to have a follow up meeting with Ed and the Education Minister – who-

ever that will be if Labour win the election – about how we can implement politics into secondary school education nationwide."

Last month Callum took part in running Somerset County Council Children's Youth Parliament Day.

Alongside MPs, teachers and key local business figures at Shire Hall, in Taunton, Callum helped to lead the day and encouraged children to learn about the world of work and youth voice.

He was encouraged to apply to Youth Parliament by his Government and Politics teacher Bob Waterhouse at Huish. He will also be attending a regional UKYP residential to work alongside his counterparts across the region to develop the national campaign and forward plan.

Chard News

Our business is growing!

LES and Margaret Gilbert, the owners of Chard News are optimistic about the future of their business.

They describe themselves as 'news specialists' rather than newsagents. In addition to local, national and international papers there are over 700 magazines titles on display in their store - with thousands more for customers to order if they don't immediately see the title they would like.

From 11th May 2015 they will also be offering a newspaper delivery service. Firstly to homes and businesses in Chard and then to the surrounding villages and towns. And they are already signing up customers.

"We have taken inspiration from a business in the South East" says Les Gilbert. "They deliver newspapers to over 3000 customers every day of the week using a professional, adult delivery team and a small fleet of vehicles. We think there is room for us to offer a similar service in South Somerset, West Dorset and East Devon."

The shop also boasts an impressive range of stationery that includes print cartridges and printer paper alongside greeting cards, drinks and confectionery.

Les is a great believer of add on services - "drivers

of footfall" - and the shop has an impressive list that includes a No1 Currency Bureau de Change (offering market leading rates) and a DHL Service Point that allows customers to send express parcels to the UK and overseas quickly and easily.

This is a shop that is very much open for business. Online (chard-news.co.uk), on Twitter (@Chard_News) and on Chard's Fore Street!

Stamps and Postcards at Chilcotts

DO you have a collection of stamps or postcards? Do you know someone who a collection of stamps or postcards? The likelihood is that you would answer "Yes" to at least one of these questions.

"Collecting stamps has been a popular past-time since 1840 when the Penny Black was introduced," explained partner, Duncan Chilcott. "Many collectors start off during childhood, aiming to collect examples from around the world – an engaging way of learning geography."

While stamp collecting as a child's hobby has been declining in Britain, it is growing in popularity in China. "Consequently China is a growing market within the philatelic world," said Duncan.

Postcards continue to be popular in the UK. "British collectors are seeking early Postcards, mostly Edwardian or earlier, with subject matters such as Shipping, Railways, Mining, Aviation, or disasters being most desirable." Shown is a rare postcard of a colliery; it was among three albums that sold for £700.

The next sale will take place on Saturday 6th June, it

will also include coins, medals and Militaria.

Chilcotts is still accepting entries and will be holding a specialist Stamp, Postcard and Medals Valuation morning on Thursday 30th April at The Silver Street Saleroom, Silver Street, Honiton (just off the centre of the High Street, behind St. Pauls church).

Home grown jam!

THE IAC Jammers are a group of musicians who meet every third Monday of the month at Ilminster Arts Centre for an informal jam session. Many of them are experienced musicians who have their own bands so their occasional concert performances playing the music they love are a treat not to be missed by jazz aficionados.

The Jammers play mostly well-known tunes in a modern/mainstream style so this will be an evening of accessible, enjoyable jazz. The line-up of musicians takes the form of a four-piece rhythm section accompanying seven other experienced jammers.

The soloists are Duncan Anselm,

Kevin Dunn, Tony Roberts, Mike Sayers, Richard Steward, Phillip Wilson and Tony White.

The Jazz Jam gigs are free of charge but a donation to the Arts Centre would be appreciated. There are no suppers for this event, but there is a well-stocked bar!

Come along and enjoy an evening of music 'on the house' and support our talented local musicians at the same time.

The Jazz Jam Gig takes place at Ilminster Arts Centre this Friday, April 24th from 8pm. Admission is free, but donations to the Arts Centre are appreciated. For more details call 01460 55783.

Rising star tenor Rupert Charlesworth in Ilminster

Academy of Music. He was Academy Laureate of the Festival D'Aix-en-Provence in 2011 and followed this up by winning both the jury and audience prizes at the 2013 Handel Singing Competition. This success was repeated at the 2014 International Singing Competition for Baroque Opera Pietro Antonio Cesti.

Lively show puts Beer Wurlitzer through its paces!

After an absence of several years, the exuberant Chris Powell returned to a warm welcome at Beer on Saturday, April 11th.

Chris is very much in demand in the UK, Europe and the USA, and plays at many concerts in New Zealand and Australia. In fact Chris, who was born in 1971, spent the first few years of his life in New Zealand as his parents emigrated there. Music has been Chris's life - as a chorister, pianist and then an electronic keyboard player. At 18 he played at the Tower Ballroom and continued to do so for five years.

Chris is one of the UK's most popular performers, always in demand, so it was a great pleasure to listen to his lively programme of popular music played on the oldest Wurlitzer in the UK. His Gershwin, Abba, swing and show tune medleys were particularly enjoyed and there was general agreement that this was one of the best ever shows. He was appreciative of the im-

provements to the Wurlitzer, describing it as 'a spring chicken rather than an old lady of 90'!

The programme of top theatre organists continues as Michael Wooldridge returns after an outstanding show last year. So do come along on Saturday, May

9th, to the Congregational Church, Fore Street, Beer, EX12 3JQ, at 2.00pm, admission is £7 on the door which includes interval refreshments. For further information please phone 01297 24892 or visit the website at www.beerwurlitzer.org.uk.

Players' Three Nights of Comedy at Honiton College

HONITON Players perform three nights of their new show 'Outside Edge' next week.

'Outside Edge' is set in a pavilion during the course of an important cricket match. Somehow the complications of the match pale before those occurring among the various WAGs and players.

'Outside Edge' was made into a very successful T.V. series starring Brenda Blethyn, Josie Lawrence and Timothy Spall, to name just a few.

Performances are at Honiton Community College at 7.30pm nightly from Thursday, April 23rd to Saturday, April 25th.

Tickets are £8 available at Honiton Toy Shop.

New album tour for Roberts and Lakeman

KATHRYN Roberts & Sean Lakeman are proud to announce their album 'Tomorrow Will Follow Today', their boldest musical statement to date. After being voted "Best Duo" in the BBC Radio 2 Folk Awards in 2013, and also nominated for "Best Original Song" (The Ballad of Andy Jacobs), in 'Tomorrow Will Follow Today' they add two rarely covered traditional songs to eight confidently written compositions to create a superb new album.

This husband and wife duo had been absent from the music scene for almost a decade before their highly-acclaimed 'Hidden People' CD (2012) was released; Sean busy touring the world with brother Seth's band whilst Kathryn remained in Devon bringing up the couple's twin daughters.

The Roberts-Lakeman name has

become synonymous with quality during their musical careers which started when they were signed to a major label as teenagers. Now after nearly two decades in music, Kathryn's sublime vocals merge seamlessly with Sean's deft and inventive live guitar work on stage - and his award-winning sonic skills in the studio. In addition to his chart-topping hit records for brother Seth Lakeman, Sean has this year alone produced albums or tracks with The Levellers, Billy Bragg, Frank Turner, Imelda May and Bellowhead, as well as a string of other folk/acoustic acts.

Kathryn Roberts and Sean Lakeman play at The Phoenix, Exeter on Thursday, April 30th. Support comes from Hattie Briggs. For more details and tickets call 01392 667080 or visit the website at www.exeterphoenix.org.uk

Images from Life and Music

Artist Nicholas Eastwood discusses his upcoming exhibition at the Beehive, Honiton

"The works (approximately 65) in this Exhibition (painting, drawing, collage and ceramics) are derived from two main sources: music - both classical and flamenco - and secondly from experiences and places abroad, while on academic lecture exchanges over a fifteen year period for the University of Exeter to Europe and as an art student in Paris in the 60s. The majority of this Exhibition will be on show in October of this year at the Wolfson College Gallery, Oxford University.

"In many respects my works are a diary, recording the Past, not necessarily major events but ones that I wanted to remember, ones important to me at that time. Now, most, if not all my work, is connected in some way with countries overseas, and distant horizons, although I do see myself as a very British painter.

"I shall always be indebted to two of my dear friends and colleagues: Raymond Calcraft, Former Head of Hispanic Studies at the University of Exeter and Conductor of the Royal Philharmonic Orchestra (RPO) Ensemble for making me seriously aware of Classical Music - the music of Joaquín Rodrigo in particular. My other great classical mentor, the late Dr Ulrike Schwartz, artist in his own right and Conductor of the Georgian Youth Orchestra. Under their guidance I have found an unlimited vocabulary of shapes and moods, listening to other orchestras' interpretation and attending RPO's rehearsals etc. This culminated in my displaying 22 large works above the stage of the Royal Festival Hall with the Royal Philharmonic Orchestra, the Exeter Philharmonic Choir for the Rodrigo Centenary Concert in 2002. The Contessa de Aranjuez, Cecilia Rodrigo, the daughter of the Composer, has since become over the years a great friend and has always supported my work. She in fact awarded me the Schott Medal in Madrid in February 2013.

"After being introduced to Pepe Romero by Raymond Calcraft in 1995 (both lifelong friends of Rodrigo) and hearing him play Flamenco, I immediately wanted to learn more of this fascinating and ancient tradition in music. This eventually led me to Malaga. The paintings and collage in this Exhibition will include a selection from a new Series Images from Malaga 2012-14, and are simply painted from informal flamenco evening concerts, including dance, at the Keliye Academy in Malaga. I have since worked with many Spanish guitarists who have explained and taught me various forms of flamenco music specially the influence of Arabic and North Africa music on that of Southern Spain. To give a background there is a small selection of personal photographs of guitarists with whom I have worked or who have influenced my work. I only now have come to realise the real wonder of what a single instrument can achieve - not only as a solo - but also in concerts with an orchestra. The interpretations and variations are endless." **Nicholas Eastwood.**

The exhibition opened this Monday (April 20th). For more information visit www.nicholaseastwood.com

Psychic Vibration on the Medium Wave

EX-HAIRDRESSER Steve Holbrook, regarded by many as one of the UK's top Clairvoyant Mediums, is visiting locally very shortly, and he explains how he hears the voices of our loved ones that have passed away. His ability started from behind the salon chair, and he now visits Theatres and Hotels around the country, and as far as the Caribbean, demonstrating his unique ability to act as a telephone exchange between this world and the Spirit world.

Steve says that he was always aware from being a child that life existed beyond the grave, when he awoke to find 5 soldiers marching through his bedroom, but could only see the top half of them floating through the room. "This was very un-nerving experience but it was to give me an early glimpse of what was to come, and now it's as natural as breathing to me"

Steve started work in Leeds city centre in a busy hairdressing salon, and feels that the years he spent behind the chair, having that personal contact with the customers, stimulated this rare, yet natural ability to hear the voices of spirits. People used to come in and book for their hair cut, and often got more than they

bargained for when he passed on a message from their loved one. Steve was always the busiest stylist, and had a six week waiting list if people didn't re-book immediately, and says "I often wonder if they kept coming back for my ability as a hair stylist, or the possibility that they might receive a message from a relative who had passed away!"

He now gives messages of reassurance to people who have lost their loved ones, and by

Steve has three books out, 'Light in the Darkness', 'Out of this World', and 'Survival', and these all offer a true insight into the day-to-day life of a working medium. Steve's beliefs on many areas of Spiritualism, and a great background in to Steve's life.

Steve has raised tens of thousands of pounds for charities over the years, £50,000 for his local hospice in Wakefield, £5,000 for MacMillan Support, and most recently our current total for

PACT - a charity that helps terminally ill children and their parents across the country - is almost £21,000. He is dedicated to raising funds and awareness for this charity.

Stephen Holbrook will host an evening of Clairvoyance at the Beehive, Honiton on Friday, May 8th, doors 7pm for 7.30pm.

Tickets are £17 in advance or £18 on the door. To book call 01823 666292 or visit www.steveholbrook.co.uk

Visions of Childhood

PIXIES once ruled pre-Christian East Devon, it is said. They resented the arrival of Christ's church when the bells were being delivered to St Mary's Otter, tried to steal them. They have been banished ever since.

But in 1973 the Ottery born poet Samuel Taylor Coleridge celebrated their presence as earth spirits in his poem 'Songs of the Pixies'. Thanks to special dispensation granted by the vicar of Otter, this poem will be read by pixies inside of St Mary's for the first time. The performance traces Coleridge's and other Otter valley writer's 'visions of childhood' and how they connect to the now threatened landscape of East Devon and the Otter valley. It will include poems by Patricia Beer (1919-99); extracts of 'The Otterbury Incident' (1948), by C Day Lewis (based on a group of Kings School students), and Harry Potter. The text of the performance is based on the book 'Literature and Landscape in East Devon' by Peter Nasmyth (who is co-author of the performance with Mike Temple, former Head of English at Exeter School.)

The performance takes place at St Mary's Church, Ottery St Mary on Saturday, May 9th, 6.30 for 7pm. Free entrance. Tea will be served afterwards.

The Blues Caravan rolls into The Barn

THE BARN at The Square and Compass, near Ilminster, welcomes a truly International act courtesy of German Record Label Ruf Records on Sunday, April 26th.

Ruf Records first presented the "Blues Caravan - Girls With Guitars" in 2011. The three electrifying musicians on that year's edition of the Blues Caravan tour caused such euphoria among international blues audiences that they were back by popular demand the following year. Now, starting in January 2015, the 11th annual Blues Caravan takes to the road with three new, young and dynamic "Girls With Guitars" who are ready to conquer the blues world.

Hailing from northern Italy, Eliana Cargnelutti is an award-winning singer and guitarist who can do it all.

During her budding career, she has worked in a number of different musical genres - but the blues has a special place in her heart. Influenced by contemporary masters such as Bonnie Raitt, Ana Popovic and Joe Bonamassa, Cargnelutti combines boundless energy with impressive technical chops.

Sadie Johnson may be the youngest musician ever on the Blues Caravan - but this 18-year-old wunderkind has already made quite a name for herself. The native of Bloomington, Indiana has proven equally adept at playing classic old-school country blues like Robert Johnson and modern-day blues-rock like her hero Eric Clapton.

Heather Crosse, a respected bassist from Clarksdale, Mississippi, provides the earthy foundation. Her band Heavy Suga' & the Sweetones has appeared frequently at the world-famous Ground Zero Blues Club and has performed at major festivals, opening for B.B. King, Robert Plant and others.

Tickets for the night are £12 in advance, and are available from The Barn at Square and Compass, by calling 01823 480467 (to pay by card), online at www.mojopromo.co.uk or from Black Cat Records, Taunton.

Musical celebration for three birthdays

A RATHER extraordinary coincidence is provoking a joyous musical celebration in Colyton on May 3rd. It has emerged that three eminent musicians, all with close ties to Colyton, will be marking special birthdays. The composer and conductor William Llewellyn will be 90, Nicholas Brown, Musical Director of St Andrew's Church, will be 60, and exactly in the middle, David Gabe, retired organist and choir trainer, will be 75 - on that very same day!

One of the most popular figures to be found strolling down Church Street of a morning is 'Bill' Llewellyn, erstwhile Director of Music at Charterhouse. A fine musician, a composer and choral conductor known and loved by a vast swathe of the musical world, Bill is the sunniest of characters and has an encyclopaedic memory for anecdotes - you will never spend more than 40 seconds in his company without having a good laugh.

And by an extraordinary chance he shares his birthday with Nicholas Brown, Director of Music at St Andrew's Church who was born exactly 30 years later. 'Nick' as we know him, has fostered and nurtured the choir here for 25 years, composing, conducting, arranging music and playing the organ for all the services. Most importantly he has taken endless pains to encourage the junior choir members, organising concerts for them to give and courses to attend, and ferrying them here there and everywhere. With all this he is himself a fine performer on the flute and piano, giving frequent recitals on both. - it is hard to imagine a greater musical contribution to a town.

In order to celebrate, the pianist Simon Watterton will be giving a recital at St Andrew's Church. Simon has visited Colyton on many previous occasions and never fails to thrill audiences with his playing - always sensitive, frequently virtuosic, and with a patent love for the music always taking precedence.

Simon trained at the Purcell School and at the Royal College of Music in London, where he won many awards. He is a regular recitalist at venues across the UK, including performances at Wigmore Hall, St. John's Smith Square, St. Martin-in-the-Fields and many others. He featured as a Rising Star in the International Piano Quarterly magazine, and thereafter completed a cycle of the complete piano sonatas of Beethoven in London. He recently played live on Intune on BBC Radio 3 with the London International Players and will soon record his first CD.

His programme for this birthday concert will include works by Liszt, Mozart, Schumann and Beethoven, as well as some mischievous re-writes of Bach by Messrs. Percy Grainger and Nicholas Brown.

The concert will be on Sunday, May 3rd at St Andrew's Church, Colyton, starting at 4pm. There will be no charge for entry, but a retiring collection will be made to help pay Simon's costs.

Bella Hardy comes to Exeter With The Dawn

BELLA Hardy's seventh solo album *With The Dawn* - her first since being named BBC Radio 2 Folk Singer Of The Year in 2014 - isn't just the latest collection of songs from this prolific and ingenious artist. The album is an account of one year of her life. Where previously Bella has adapted and explored traditional ballads and fables to tell her contemporary folk tales, the stories that inspired these songs are her own experiences: good and bad, happy or sad.

With The Dawn is a more intimate and reflective album than before. Working with producer Ben Seal, the arrangements are more instinctive, more reactive, as befits the mind-set that informed the lyrics. Vivid brass gives way to

lonesome piano; choral voices peal; banjos emerge out of beats and blips. Elements of the initial demos, sometimes recorded into a phone as the thoughts occurred, have been kept. Whatever instrument was nearest to hand was grabbed and deployed whenever and wherever (even on one occasion in the bath) giving *With The Dawn* its striking immediacy.

Bella Hardy's album release tour for *With The Dawn* comes to Exeter Phoenix on Wednesday, May 6th at 8pm. Tickets are £12 or £10 for concessions, available online at www.exeterphoenix.org.uk or by calling 01392 667080.

While music is always important, so is sport

ROYAL Clarence on Harbour Road has rapidly become Seaton's premier sports and music bar, popular for showcasing some of the area's top bands and up and coming musicians.

Friday night is "Live Night" kicking off about 9.30pm. No matter your music taste you'll find something to suit you as the Clarence prides itself in its commitment to good music, no matter the genre.

Saturday nights alternate between Disco and Karaoke, with the occasional theme night, again open until 2am for all to enjoy.

Every Tuesday is Open Mic night giving budding musicians and singers the chance to perform in front of an audience. It's always a fun night and a great way to witness local talent. There have been some amazing acts over the last couple of years.

While music is always important, so is sport and with 6 big screens in the bar

and outside in the smoking shelter you'll never miss a match! All major sporting events from both Sky Sports and BT Sports are shown in full HD.

The RC Bar has also just had accreditation by Casque Marque scoring 100% for the quality of their Real Ales. They serve Otter Bitter and Amber and also Avocet from Exeter Brewery. They keep it all local and at just £3 a pint prices are still competitive.

The Royal Clarence team are all chatty and friendly and look forward to welcoming you soon.

Peugeot 308 R HYbrid

FEAST your eyes on the ultimate 308. PEUGEOT has unveiled a stunning new version of the award-winning compact family hatchback – with a combined 500bhp and four-wheel drive.

Badged the PEUGEOT 308 R HYbrid, it has been developed by PEUGEOT Sport, the brand's famous in-house engineering and racing division, which last year unveiled the critically acclaimed RCZ R. The car's plug-in petrol hybrid powertrain pushes the boundaries of sporting prowess in the segment, offering a truly extraordinary performance. The car is capable of hitting 62mph (100km/h) in 4.0 seconds, yet still has astonishingly low CO2 emissions of 70g/km.

"PEUGEOT Sport's expertise applies an uncompromising approach to meeting targets. With our experience in hybrid vehicles developed with the PEUGEOT 908, the high-performance hybrid powertrain fitted to the 308 gives a glimpse of the potential for ultra-sports models in the future," says Bruno Famin, Director at PEUGEOT Sport.

The contemporary style and sporting prowess of the 308 – the Car of the Year 2014 – remain clearly visible. However, the 308 R HYbrid also re-imagines design cues explored on the Quartz concept, seen most recently at March's Geneva Motor Show.

With front and rear tracks widened by 80mm and riding on 235/35 R19 tyres, the PEUGEOT 308 R HYbrid has been created to devour the road. Its front end styling is dynamic and imposing, with expressive louvres on the bonnet and sharp edges combined with sleek surfaces in its

bumper.

The grille features a chequered pattern which allows air to cool the innovative 500hp powertrain. The side scoops are home to the sequential LED indicators, while the central scoop sports the 308 R HYbrid signature.

In profile, the 308 R HYbrid's dramatic paint finish can be truly appreciated. Cloaked in an intense blue and developed using fluorescent pigments and glass particles, this colour salutes both the hybrid powertrain and the shade historically re-

served for French competition vehicles. On the rear doors, the blue is matched with matte black, giving a new interpretation of the car's clean lines.

At the rear, the PEUGEOT 308 R HYbrid is remarkably understated, with a narrow spoiler at the top of the tailgate reinforcing the aerodynamics. The bumper's twin air scoops help keep the battery temperature down by drawing out the hot air, whilst the lower section is embellished with a touch of white emphasising the car's dynamic character.

New Production-Ready Ford Vignale Mondeo

▲ The new Ford Vignale Mondeo

FORD Motor Company today unveiled the production version of the Ford Vignale Mondeo – the first vehicle to be introduced as part of Ford's new Vignale brand.

Each Ford Vignale model is hand-finished in a special Vignale Centre at Ford's manufacturing facility in Valencia, Spain. Available in four-door and estate bodystyles, the Ford Vignale Mondeo delivers superior refinement with the European debut of Ford's Active Noise Cancellation technology, quilted and tuxedo-stitched leather interior and exclusive Vignale Noccia metallic paintcolour.

Customers can now use Ford's new dedicated Ford Vignale internet destination and

online configurator to explore options and pricing. The Ford Vignale Mondeo will be available to order from May at new flagship FordStores opening across the UK, priced from £29,045.

The Ford Vignale Mondeo delivers advanced technologies including Pre-Collision Assist with Pedestrian Detection, which can reduce the severity of some frontal collisions involving vehicles and pedestrians, or help drivers avoid some impacts altogether. Powerful and fuel efficient powertrains include Ford's new 210PS Bi-turbo 2.0-litre TDCi diesel, 240PS EcoBoost petrol, and 187PS petrol-electric hybrid. Ford's Intelligent All-Wheel Drive (iAWD) which automatically

enhances traction and road-holding, is also available.

Vignale customers will also receive a personalised service for the duration of their vehicle ownership, supported by a Vignale relationship manager and 24-hour free-phone assistance from the Vignale OneCall service.

"Ford Vignale is the highest expression of the Ford brand in Europe, bringing together award-winning design with a unique ownership experience," said Jim Farley, Ford executive vice president and president, Europe, Middle East and Africa. "Our vision for Vignale is to create a modern, contemporary upscale experience that makes Vignale a valued part of customers' lives, starting with the Ford Vignale Mondeo, and later this year with introduction of the Ford Vignale S-MAX."

Ford's new Vignale Service smartphone app will support customers with GPS-enabled services including Vignale Park Me, which allows drivers to record an exact location and time elapsed since parking their vehicle. Using online map data, the app can also help drivers locate fuel stations, and provides a one-touch connection with emergency services or Vignale OneCall.

Enhanced refinement and exclusive style

The Ford Vignale Mondeo delivers a whisper-quiet, smooth and comfortable ride using sophisticated technologies and an advanced chassis structure.

Ford's innovative Active Noise Cancellation

system* enhances interior refinement. Using three cabin microphones, the system is able to monitor engine noise in the interior. Advanced audio technology directs opposing sound waves through the audio system to cancel out engine noise and improve cabin ambience.

The Ford Vignale Mondeo interior also features enhanced sound insulation to better isolate road noise from the cabin. Acoustic glass helps reduce wind noise to levels normally experienced only in the premium segment.

Ford's integral link rear suspension offers a smoother ride, in particular for rear seat passengers, and reduces noise levels by al-

lowing the wheels to move further rearwards on impact with uneven road surfaces. For front seat passengers, comfort can be optimised by Ford Multi-Contour Seats with Active Motion massage function. Designed to reduce muscle fatigue, particularly during longer journeys, the seats use a system of 11 inflatable cushions to deliver an unobtrusive massaging effect for thighs and lower back.

Ford Vignale Mondeo seats are offered in exclusive Vignale leather trim. Laser-cut for high precision, the material features unique Vignale hexagonal quilting and tuxedo stitching with soft-touch elements that extend to the instrument panel, centre console, armrest, and door top-rolls.

Advice For Your L-Test Teenager

GEM Motoring Assist has some advice designed to reduce the stress parents can experience when their children reach 17 and want to get behind the wheel

Counting the cost

It's a good idea to have a frank discussion about finances before your teenager even applies for a provisional licence. Discuss the extent to which you'll be able to help pay for lessons and how much he or she should plan on contributing.

Learning to drive is a costly business, and it's important to have a realistic idea of the sums involved beforehand. Otherwise you can get into a situation where the teenager is making progress but has to take a break from lessons because of cash-flow problems.

How many lessons your child needs will depend on natural aptitude and whether or not there's the opportunity to practise. But it's a good idea to budget for between 35 and 50 hours, meaning a total tuition bill of between £1000 and £1400. The provisional licence costs £34 online, a theory test costs £25, and the practical test costs £62.

Choosing the right instructor

The first step in the process is to check that any potential instructor is a fully qualified Approved Driving Instructor (ADI). They can be identified by the green octagonal badge on their windscreen. A pink badge means the instructor is still a trainee. Then ask your friends and family members

for personal recommendations, and follow up with additional research.

Call potential instructors for a chat to get a feel for them and their approach. And get your teenager to talk to them as well. If the instructor is someone they feel they can get on with, that's really going to help the learning process.

The need to practise

It's always a good idea for learners to practise between lessons as it gives them the opportunity to consolidate what they've been taught. Clocking up more hours at the wheel will also increase their confidence and expose them to a greater range of driving conditions. However, the prospect of sitting beside a learner-driver child can seriously unsettle some parents. If you feel like this, then there's no point in forcing yourself to take your teen out for practice drives as it will just be upsetting for both of you.

Anyone supervising a learner driver needs to be over 21 and to have held a driving licence for the type of car they'll be using (manual or automatic) for at least three years.

You'll also need to sort out suitable insurance. If your teenager is learning to drive in the family car then contact your insurance company and arrange to have them put on as a named driver. L-plates (L or D plates in Wales) will need to be displayed at the front and rear of the vehicle when they're at the wheel.

When it comes to deciding which aspect of their driving

they should be practising, it's best to liaise with the driving instructor, who will know what they need to work on. Of course, it's important for parents to realise that the driving test has changed a lot in the last 20 years, and that driving instructors will be teaching the skills in the most up-to-date way.

Test time...

Exams are nerve-racking at the best of times, but driving tests can feel particularly harrowing. So be supportive, as teenagers will not only be afraid of letting you down, they will also feel under pressure from friends. A reputable driving instructor won't put students forward for the test unless they've reached the correct standard.

A lifetime of safe driving

It pays to book additional training after the test, particularly so that your son or daughter can become familiar with safe, confident motorway driving. You will need to let your insurer know about the move from provisional to full licence status. Adding an 18-year-old to your policy is likely to cost several hundred pounds, but there are discounts if you agree to use some sort of telematics device that monitors and records how he or she drives.

Mercedes-Benz Concept GLC Coupé

IN A flowing transition, Mercedes-Benz lands the next coupé: the Concept GLC Coupé is a near-production-standard study that carries the successful GLE Coupé formula over into a more compact segment. The dynamically expressive show car combines typical stylistic features of a coupé with the sensually pure design idiom of coming SUV generations. This emotively appealing fusion is further enriched with details that are strong in character. A twin-blade radiator grille, powerdome on the bonnet and a four-pipe exhaust system form an aesthetic contrast to the harmonious, almost organic main body section. On the other hand, elements from the rugged off-road world, such as enormous 21-inch tyres, front and rear underbody protection, increased ground clearance and side running boards, are indicative of the off-road performance potential of the Concept GLC Coupé.

Gorden Wagener, Head of Design at Daimler AG, puts it in a nutshell: "With its modern and sensual design idiom, the Concept GLC Coupé gives a foretaste of future SUV models from Mercedes-Benz. At the same time, it embraces the typical values of tradition-steeped Mercedes-Benz coupés."

The same successful blend of the multifunctional SUV and the emotively appealing coupé world of Mercedes-Benz that was so enthusiastically welcomed with the GLE Coupé is now repeated with the Concept GLC Coupé. However, the near-production-standard show car inhabits a more compact segment, as demonstrated by the external length of 4.73-metres and the 2.83-metre wheelbase. These two dimensions, together with the striking and muscular main body section, elongated greenhouse and large 21-inch wheels, provide an ideal basis for the typical, almost dramatic proportions of the sportily youthful coupé generation with the characteristic off-road touch.

Distinctive front end, sculptural headlamp design

At the front, a short, crisp overhang with upright radiator grille and twin-blade louvre – characteristic of sporty Mercedes-Benz models – gives a first indication of the sporty philosophy behind the Concept GLC Coupé. The credo "Born to race on every ground" is confirmed by the powerdome on the bonnet, the sweeping lines of the A-wing below the radiator grille, the large side air intakes and the visually dominant underbody protection. Like all the trim elements on the concept vehicle, this typical SUV feature radiates in silver shadow to form an attractive counterpoint to the solar-beam paintwork and

the all-round claddings in matt gun metal magnolia paintwork.

Reminiscent of light sculptures, striking LED headlamps decisively shape the expressive face of the Concept GLC Coupé. All functions are united in one housing: for illumination, the daytime running lamps and turn indicators use the upper strip inserts, dubbed "eyebrows" by the designers. Below them are three rotating lenses, which appear to positively float in the deep, three-dimensional space and which adapt to the situation to optimally illuminate the road or terrain. Of course, the headlamps are non-dazzling for oncoming traffic in lower beam, upper beam, cornering light or active light mode. This is achieved by blanking out the light cone in the area of oncoming vehicles.

Side profile with low-slung coupé greenhouse and large SUV wheels

The perfection with which the intrinsically contrary design worlds of the coupé and the SUV have been brought into harmony with each other is revealed in particular by a side view of the just under 1.60-metre-high Concept GLC Coupé with the typical, elongated roof line of a sports coupé. Like the integrated roof rails and fully recessed door handles, the squat greenhouse with its frameless side windows blends perfectly into the vehicle's flanks to additionally underscore the coupé-like character. The interplay with the high beltline, wide shoulders and accentuated wheel lips gives rise to extreme proportions that lend the Concept GLC Coupé a thrilling dynamism. This highly charged inter-

action is given extra emphasis by the drawn-in waist between the dropping line and the lower, rearwards ascending light-catching contour.

A clear indication of the more prominent SUV genes is given by sill extensions reminiscent of the side running boards on a classic SUV. Flush with the outside edge of the body, wide 21-inch wheels with large, heavily profiled tyres combine with the relatively high ground clearance to endorse the sportily dynamic off-road ambitions of the Concept GLC Coupé.

Rear end with distinct coupé heritage

The rear view of the precisely two-metre-wide Concept GLC Coupé in particular reveals the wide, muscular shoulders with harmoniously modelled wheel arches that house 53.3 cm (21-inch) wheels with 285/45 R 21 wide-base tyres. The four polished stainless-steel tailpipes of the exhaust system provide a visual highlight. Mounted in pairs above an A-wing similar to the one at the front and featuring characteristic underbody protection, the tailpipes underscore the sporty look of the coupé.

Overall, it is the styling of the rear end that most clearly accentuates the coupé genes of the concept vehicle. Narrow, split tail lights, centrally positioned brand star and a sharp spoiler lip emphasise a design line that made its debut with the S-Class Coupé and which all Mercedes-Benz coupé models have since followed. Relocated to the lower section of the bumper, the number plate as well as the typical form of the rear window with its rounded upper area are among the further stylistic features.

Local football round-up

by Howard Larcombe

Barrington on course for perfect season
Pethy clinch runners-up as Crewkerne unbeaten record is ended

MIDWEEK ROUND-UP

Tuesday, April 14th

DIVISION TWO

STEVE Bryant's 70th minute goal decided the Crewkerne bragging rights as Rangers defeated Town Reserves 1-0 and in the process ended their neighbours outside hopes of promotion.

The second spot behind Drimpton was duly secured by Thorncombe who came from behind to beat Uplympe 3-1 at Venlake.

John Allen, Luke Bennett and Lee Fisher scored for the Thorns who return to Division One after a gap of four seasons.

Champions Drimpton are now just one game from completing an unbeaten league campaign after thrashing Dorset neighbours Waytown Hounds 6-1 at their Netherbury home.

Terry Farrell moved up to 34 for the season with a brace and there were singles for Murray Legg, Craig Lodge, Garry McCormack and Craig Studley - Ethan Guppy netted the Hounds' consolation.

Charmouth couldn't give outgoing player-manager Paul Grinter a win in his last game at the helm - the relegated Robins went down 3-2 at home at the hands of Beaminster Reserves.

The visitors led 2-0 at half time and could even afford to see Josh Trocjan blast a penalty over the crossbar.

All Harvey twice reduced the arrears for the hosts - the second from the penalty spot, but strikes from Dan Pyett (2) and Dean Hyett saw Beaminster home.

Wednesday, April 15th

PREMIER

A 2-0 WIN at Champions Crewkerne saw South Petherton clinch their seventh top two finish in the last decade.

"We've got the oldest squad in the Division but we showed our experience," said Pethy player-manager Karl Diment.

The visitors, who were promoted from Division One last season, took the lead in the 12th minute with a scorching drive from Ash Smith, and secured their 10th consecutive league win with a classy finish from top-scorer Rich Hebditch for his 23rd goal of the season.

"They certainly wanted it more than we did," said Crewkerne manager joint-manager Ben Cox who saw his side draw a blank for the first time in 15 months and lose they 100 per cent league record at the same time.

DIVISION ONE

PYMORE confirmed their Division One status with a comfortable win against relegated Farway United at St Mary's.

An early double from striker Adam Cody-Boucher settled the west Dorset side's nerves. The game was done and dusted by half-time with Tim Hussey's shot being deflected into his own net by a defender and Brandon Scadding making it 4-0 just before the interval.

Pymore stepped off the gas in the second period and had to wait until the 85th minute for the final goal but it proved to be a landmark for Hussey who netted his 400th and is now clear top scorer of those players still active in PSDL.

Up at the top Barrington they made it 28 wins from 28 games after beating Chard United 5-0.

The champions led through goals from Andy Whitefield, Paul Oliver, Guy Dare and Sam Spurway before the break.

Golden Boot favourite Whitefield netted his 49th of the season in the second-half as Barrington moved their 'goals for' tally up to 160!

Not a bad season for Chard though - they recorded their highest finish for

more than a decade.

DIVISION FOUR

DESPITE finishing in the wooden spoon position Chard Utd Allstars completed their debut season on a high after edging home 4-3 in the Jocelyn Park derby against Chard Rangers.

Kieran Bradshaw and Darren Kosmalski both scored twice for the Stars while Kevin Cavanagh, Andrew Griffin and Rich Foote - the pick of the goals, a fizzing shot, netted for the Rangers.

SATURDAY, April 18th

JACK VENN CUP SF

THE 54th Jack Venn Cup Final will see last year's runners-up Waytown Hounds look to go one better when they meet Drimpton at Combe St Nicholas on May 4th.

Drimpton took their place after a hard-fought 4-2 win over visitors Crewkerne Rangers with all the goals coming in an entertaining first-half.

Defender Josh Parsons fired the Greens ahead but Rangers responded well and turned things around to lead 2-1 through goals from Jack Male and Aaron Hole.

Parsons levelled in somewhat fortunate circumstances when an attempted clearance struck him on the back and found it's way into the net.

Drimpton cashed in their luck with top-scorer Terry Farrell bagging his 35th of the season and Craig Studley making the game safe with a cross-come shot that sneaked in at the far post.

"It was a shame that we conceded that flukey goal when we did as we had them rattled for a while," said Rangers player-manager Scott Isaacs.

The other semi was more straightforward with Ethan Guppy (2), Dan Dunford and Jon Legg scoring in Waytown's 4-0 win over holders Thorncombe.

PREMIER

Beaminster 0 Crewkerne 4

CHAMPIONS Crewkerne Town moved five points clear at the top with a 4-0 win at The Memorial Ground.

Beaminster looked good for periods of the first half only to fall behind to a Liam Riste strike in injury time.

Jamie Spurdle doubled the lead with an audacious 40-yard lob and Adam Dawe ended any doubts with the third. Spurdle rounded things off with his 40th goal of the campaign.

◆ CREWKERNE have finally learned their opponents in the upcoming Somerset Junior Cup Final.

The Tigers will face Yeovil League outfit PEN MILL in the Final at Street FC on Tuesday, May 19th.

DIVISION ONE

FORTON Rangers closed their season in disappointing fashion as they went down 4-0 at the hands of relegated Farway United.

Dan Audsley (2), Jack Murrell and Kieran Murphy scored for Farway who kept their first league clean sheet for 18 months.

Meanwhile, with Millwey Rise vacating the league in favour of the Devon & Exeter League, Netherbury grabbed the chance of taking their promotion slot with a 4-0 win at Millwey. Ryan Gall, Mark Cuff, Chris Symes and Danny Rendall netted for the newly crowned Dorset Junior Cup Champions.

DIVISION THREE

THE promotion head-to-head at Shelway Lane went in favour of the hosts as Simon Lock scored a hat-trick as hosts Barrington Reserves beat long time leaders Kingsbury Episcopi who have missed out having picked up just three points from their last nine.

◆ CHAMPIONS: Barrington FC pictured after being presented with the PSDL Division One Championship trophy. Line-up, standing, from left; Matthew Brown (manager), Simon Cherry, Matt Williams, Sam Spurway, Tom Perry, Guy Dare, Mike Towill, James Thompson, John Martin (Secretary). Front: Paul Oliver, Andy Whitefield, Mark Cullen, Dan Rolandson, Mike Whitefield, Adrian Ward (Chairman).

Hawkchurch United are almost certain to accompany Barrington having won 6-2 at Dowlish & Donyatt to leave them with just a point needed from their final three matches.

Midfielder Jamie Harris was the star for the Hawks with a hat-trick while Rowan Short (2) and Andy Dymond, chipped-in with the others while Rhys Faulkner and Matt Vinal bagged the consoling for the Dodgers.

Down at the bottom Shepton Beauchamp Reserves kept alive their hopes of beating the drop with a 3-1 win at rivals Merriott Dynamos.

Jordan Brain put Shepton ahead but the hosts went close with an effort that struck the crossbar before missing an open goal.

The hosts did square things up through Steve Jennings but the visitors weren't to be denied and Brad Pitman made it 2-1 before Brain struck again near the end when he beat the offside trap before coolly lobbing home.

There wasn't too much at stake at Lightgate Lane with Thorncombe Reserves drawing names out of the hat for positions against fellow midtable South Petherton Reserves.

Pethy lead through goals from Jimmy Rees and Luke Bridge at the interval. But John Mason struck twice for the Thorns soon after the turnaround - the first a stunning 30-yard free-kick, but the points were decided by Louis Hockey's 86th minute winner.

DIVISION FOUR

CHAMPIONS Merriott Rovers recorded their fifth double figure haul of the season as they thrashed lowly Farway United Reserves 10-0 on their own Eastlee Park turf.

Dan Rudge (4), Ash Cooper (2), Mark Tweedie (2) and Josh Thomason (2) joined in the goal fest.

Finally, Paul Stuart scored five times and Henry Broom once as Winsham United Reserves thrashed depleted Hinton 6-1 to move into pole position in the race for third place.

MERRIOTT with Anne Weeks
SHORT Mat Bowls is a very popular variety of the game which is played outdoors or in special purpose-built indoor facilities.

It has been adapted for use in village halls and therefore has a mat of between 39ft and 45ft length maximum, and most halls can accommodate at least two mats so that two games can be played side by side.

The skill for the shortened game comes by having to negotiate the bowls around a block of wood (15 x 2 x 2 ins) in the centre of the carpet.

It is an ideal sport for those unable to play outside on the greens, but more especially it can be played all the year round.

In Merriott, two sessions are held each week: Tuesday afternoons from 1.45 to 5pm, and Wednesday evenings from 6.45 to 10pm.

The Tuesday sessions give people an excellent chance to have a go with club members on hand to give guidance.

The Club has some bowls available for use although ultimately it is preferable to have your own set. The main essential is to have a pair of smooth soled shoes with no treads so that the mat is protected from damage. Short mat bowls is a friendly game perfectly suited to village community life, giving people a chance to enjoy a sport, which can become very addictive, but which mainly encourages people to step outside from their armchairs and make friends.

Wednesday evenings are also the time when friendly home matches against other clubs in the area are played. Opportunities are also available to participate in leagues in the Yeovil and Chard.

Classic win for battling Chard

CHARD 35 OLD PATESIANS 34
National League Three (south west)
by Glyn Hughes

THIS was one of the most exciting games seen at Chard for some time and the win was a fitting reward for the Chard players who have had a very difficult season but have never given up.

Chard have often played a lot better than their lowly league position would suggest and this gritty performance deservedly gave them their first home league win of the season in this their final game, for the moment at least, in the National league

Chard took an early lead when Mike Lawton converted a penalty from out wide but within a short time the visiting three quarters exploited gaps in the Chard defensive line and centre James Aherne burst through for Patesians' opening try which went unconverted.

Lock forward George Angel got a second unconverted try for the visitors but Chard hit back strongly and Ben Stead finished off a good move to score a fine try and with Lawton kicking the extras Chard were back on level terms.

Once again the Chard forwards were giving a good account of themselves and Patesians were really struggling up front, but not for the first time this season Chard were caught cold with a sucker punch.

When it looked odds-on that Chard would score they lost possession close to the visitors' line and Aherne ran the length of the field to score a third try for his team. But visiting full

back George Hughes was really finding the wind difficult and missed a third conversion attempt in a row.

As the game reached the half hour mark Chard got their second try when Harrison went over and Lawton made no mistake with his kick to put Chard 17-15 in front. Lawton put Chard further ahead with another successful penalty early in the second half.

However, they were caught cold immediately from the restart and number eight forward John Barker went through for their bonus point try.

Hughes at last got a kick over and Patesians were now up by two points. Chard then went through a very difficult time and conceded two more tries with one of them coming when Chard again missed a kick to touch and had no answer to the resulting quick counter attack.

With both tries being converted Chard were now trailing 20-34 and looked down and out.

But they were lifted by the crowd and driven on by skipper Mark Parsons and their efforts were rewarded with very late tries from Jason Wright and Simon Jenkins and had the conversions been level but in the difficult windy conditions, and from far out, they were missed.

The was deep into injury time when Chard, who now had all the momentum, threw the ball out wide and Henley got the score which put Chard ahead by one point. The missed conversion mattered not as the final whistle sounded.

Honiton youngsters hit fine late season form

by Jon Hannay

HONITON Tigers U8s ended the regular season on a high winning three out of the four games against South Molton at Northcote Lane on Sunday.

The visitors arrived with nine players so Honiton loaned them Jake Giles, Tyler Patch and Harvey Hannay to enable two games of six-a-side.

The team of CJ Nequest, Tom Phillips, Harry Madge, Finley Offer-Hoar, Finley Backhouse, Sam Gray and Jake Carter claimed a 12-11 win in their opening game.

Backhouse claimed a double hat-trick while Offer-Hoar (3), Carter, Nequest and Phillips made up the tally in an end to end game.

Backhouse was among the tries in the second game, notching four times in a 11-10 success. Nequest (2), Phillips (2), Offer-Hoar, Madge and Carter completed the scoring.

Giles helped himself to two tries to help South Molton record a 11-8 win in their game against the group consisting of Josias Drew, Charlie Pickering, Dylan Burrough, Alfie Terry, Ewan Powers-Maguire and Henry Devin. Despite their best efforts, tries from Powers-Maguire (3), Drew (2), Burrough (2) and Terry were in vain.

The Tigers roared back in the second game as they claimed a 9-7 victory in the second game. Devin and Drew both scored a hat-trick while Powers-Maguire (2) and Burrough made up the tally. Patch (3) and Hannay dotted down for the visitors.

Fourth at Imps gala

FOR the first time, Chard juniors had the opportunity to take part in a friendly 'Imps' gala against some other local clubs in March.

Swimmers aged 9-12, many of whom had not competed in galas outside of the club, spent an enjoyable evening at Exmouth leisure centre, competing against other clubs including Exmouth, Torquay, Exeter, Kingsbridge and Sidmouth.

The gala covered a combination of individual and team events, and the atmosphere was great with tremendous team support, helping Chard to achieve an overall 4th position.

Coach June was really proud of their performance, and hopes it has not only given more of the younger swimmers a chance to represent their club, but also a friendly taste of competitive swimming which will spur them on to achieving more.

Congratulations and well done to all those taking part: Simon Davis, Ben Webb, Will Hawkins, Oli Bright, Louis Whittome, Jevan Hampton Rumbold, Jimmy Brett, Oliver Collins, Joe Swan, Lyndon Smith, Sam Platten, Joe Shrubbs, Louis Rood, Jack Morgan, Jamie Porter.

Megan Herbert, Posy Doble, Phoebe Clark, Mia Huntley, Flo McConnell, Jess Fowler, Holly Bigger, Helen Underwood, Charlotte Young, Freya Rex, Abbie Herbert, Emilia Smith, Leonie Housham, Maddie Veevers.

Nine other swimmers from the club recently competed at the Bournemouth Open Meet chasing best times for regional qualification.

Fifteen year old Lewis Pearson gained three regional qualification times in 100 and 200m freestyle and 50m butterfly, and had a successful weekend, taking a total of five medals: gold in 100m freestyle and 200m backstroke, silver in 200m freestyle and 50m breaststroke and bronze in 50m butterfly. Melissa Hanson, 17 also won a bronze in 200m freestyle.

Other swimmers taking part were: Grace Lambert 9, Millie Downes 11, Harriet Copeman 11, Imogen Waterhouse 12, Oliver Bright 12, Paul Harrison 16, Mollie Simpson 16.

◆ **SWIMMERS OF THE MONTH:** Abi Greenslade (11), Jimmy Brett (11) and Leo Kindred (14, shared boys award winners) who all achieved their first ever regional qualifying times.

netball honiton league

THE Honiton Summer Netball League has seen an increase in the number of teams to 16.

This season the handicap league will be played in two pools, the teams having been allocated randomly by computer to the two sections. Each team has been allocated a goal score that is shown in brackets next to the team name in the results table.

The final week will see the top two teams in each pool play off for the summer title.

Newcomers Swagger Mamas got off to a good start when they came up against Tip Top Trees. With Karen Bennett playing well they were leading into the final quarter by 48-43, but 3Ts didn't give up and with Jenny Robinson in fine form they came on strong to win by 55-52.

Signs South West started their game with a four goal deficit to make up but a determined Otter Valley held them off in a close contest to win by those 4 goals at 47-43. Faye Hawkins took the plaudits for SSW while Charlotte Broom was the Otter Valley star.

Otters were up against new side Beer Blazers in what proved to be a friendly, and very close, encounter with Otters just creeping in at the death to win by a single goal at 47-46 thanks to good work from Bryony Monaghan and despite fine play from Becky Dormor for the Blazers.

Uplowman, who are defending their summer title got off to a strong winning start when they came up against the Sidmouth Toucans Old Birds side. Despite starting 12 goals adrift they soon overcame the deficit to record a 53-28 win and take an early position at the top of pool A. Viv Grant turned in a fine display for Uplowman whilst Emily Heighway took the plaudits for Toucans.

Robins' remarkable late run rumbles on Ilminster Reserves relegated after home defeat – Parris 'no' to Axminster Town

A LATE Sam Clark goal saw CHARD TOWN extend their unbeaten run to nine matches with a 1-0 win at windswept Wells City on Saturday.

Clark latched on a diagonal through ball before beating his marker and coolly slotting home his 21st goal of the season.

The win takes the resurgent Robins up to the lofty heights of sixth in the Toolstation Division One table.

Down in the Somerset County League Premier Division ILMINSTER TOWN hopes of beating the drop down into Division One were given a boost when Adam Male fired them into a 20th lead at Yatton Athletic.

But the hosts equalised five minutes before half-time and the Blues were forced to settle for a point which was negated by rivals' Minehead's 0-0 draw at Cutters Friday.

In midweek a Shaun Wells-Burr goal helped Chard Town to a 1-0 win at Wellington on Wednesday evening.

Wells-Burr headed home at the far post in the 15th minute after George Chlopekci had nodded Andy Martin's incisive free-kick back across the six-yard box.

In certainly wasn't one-way traffic with the hosts striking the woodwork twice.

The Robins went close again in the dying minutes but Scott Holland shot wide when presented with a one-on-one chance.

Chard could yet clinch a top-five finish with victory in their final game of the season at home against Wincanton tomorrow (Wednesday) evening.

Not such good news from the Rec where ILMINSTER TOWN RESERVES slid closer to relegation from the Devon & Exeter League Division Five with a 1-0 defeat at the hands of Honiton Town Reserves last Wednesday.

A bottom three finish, and the dreaded drop, was confirmed by Saturday's 2-1 home defeat by Sampford Peverell. The

Blues had led at half-time through Luke's Paul's early goal but were pegged back by two goals in the last 20 minutes.

"We battled to last minute, and despite having a very young team for most of the season, our results after Christmas proved we can compete at this level," said Ilminster manager Ken Timson.

Up in the Premier Danny Apin's first goal of the season was enough to move 10-man CHARD TOWN RESERVES back up to 10th place after an impressive 1-0 win over third-placed Sidbury United.

The Robins second-string, with keeper Scott Wells-Burr in fine form, played with 10 men for almost an hour after Gary Warren was red-carded having picked up two yellow cards.

◆ Despite rumours to the contrary circulating in the local area, Chard Town Reserves' manager Stu Parris has

confirmed to View Sports that he will not be filling the vacant manager's post at South West-Peninsula League Division One (west) outfit Axminster Town.

Meanwhile, Winscombe's 0-0 draw at Uphill Castle on Tuesday means a win at Nailsea United Reserves next Saturday will guarantee COMBE ST NICHOLAS the Somerset County League Division Two (west) title.

The Saints have already rubber-stamped an historic first ever foray into Division One of the SCL.

Combe St Nicholas Ladies came from 2-0 down to beat Brislington 4-2 after extra time to lift the Somerset County Women's FA Chairman's Cup at Street FC on Sunday.
